

R&P Grupp Ltd. was founded in 1999 as an importer and installer of Irish security systems **CE L**.

Later, we got the right to distribute car audio systems from companies like

Clarion

and

Pioneer

. From year to year, we expanded the number of famous brands (

Rockord Fosgate, Lightning Audio, MB Quart, DLS

) that produce high quality products and increased our sales. In 2004 we founded a subsidiary company in Latvia, where the main focus was to wholesale car and professional audio.

Nowadays the areas of our activity are wholesale of car alarm systems, security systems and accessories, car audio and multimedia, Home Audio, Professional Audio. During the years we were able to successfully sell and promote the well-known brands like

Clarion, Rockford Fosgate, Lightning Audio, MB Quart, German Maestro, Magnat, Audiovox, Oehlbach, Blaupunkt, Tangent Audio, Vieta, Parrot, ACV, Spal, Patrolline, Mobileye

. From the very beginning our company had a service center and installers with over 10 years of experience. Thus, we can offer our partners and dealers, reliable technical support and assistance in complex installations. In 2005 with our support was opened Estonia's largest car, home and professional audio shop

AudioCity

(Tallinn, Kadaka tee 1). In 2010 was also opened another

AudioCity

shop in Rakvere (shopping center Põhjakeskus) . All this gave us the opportunity to feel the market needs and ideas for further development.
